COI: Community of Interest

COI: A geographic area that shares cultural, historical, or economic interests.

- Ask your county commissioners to consider COIs when redrawing districts.

Communities of Interest - Wilson County

Stoneybrook Wilson

- “My community should contain children who go to the same public elementary school.”
- “My community has issues with flooding from the local creek.”

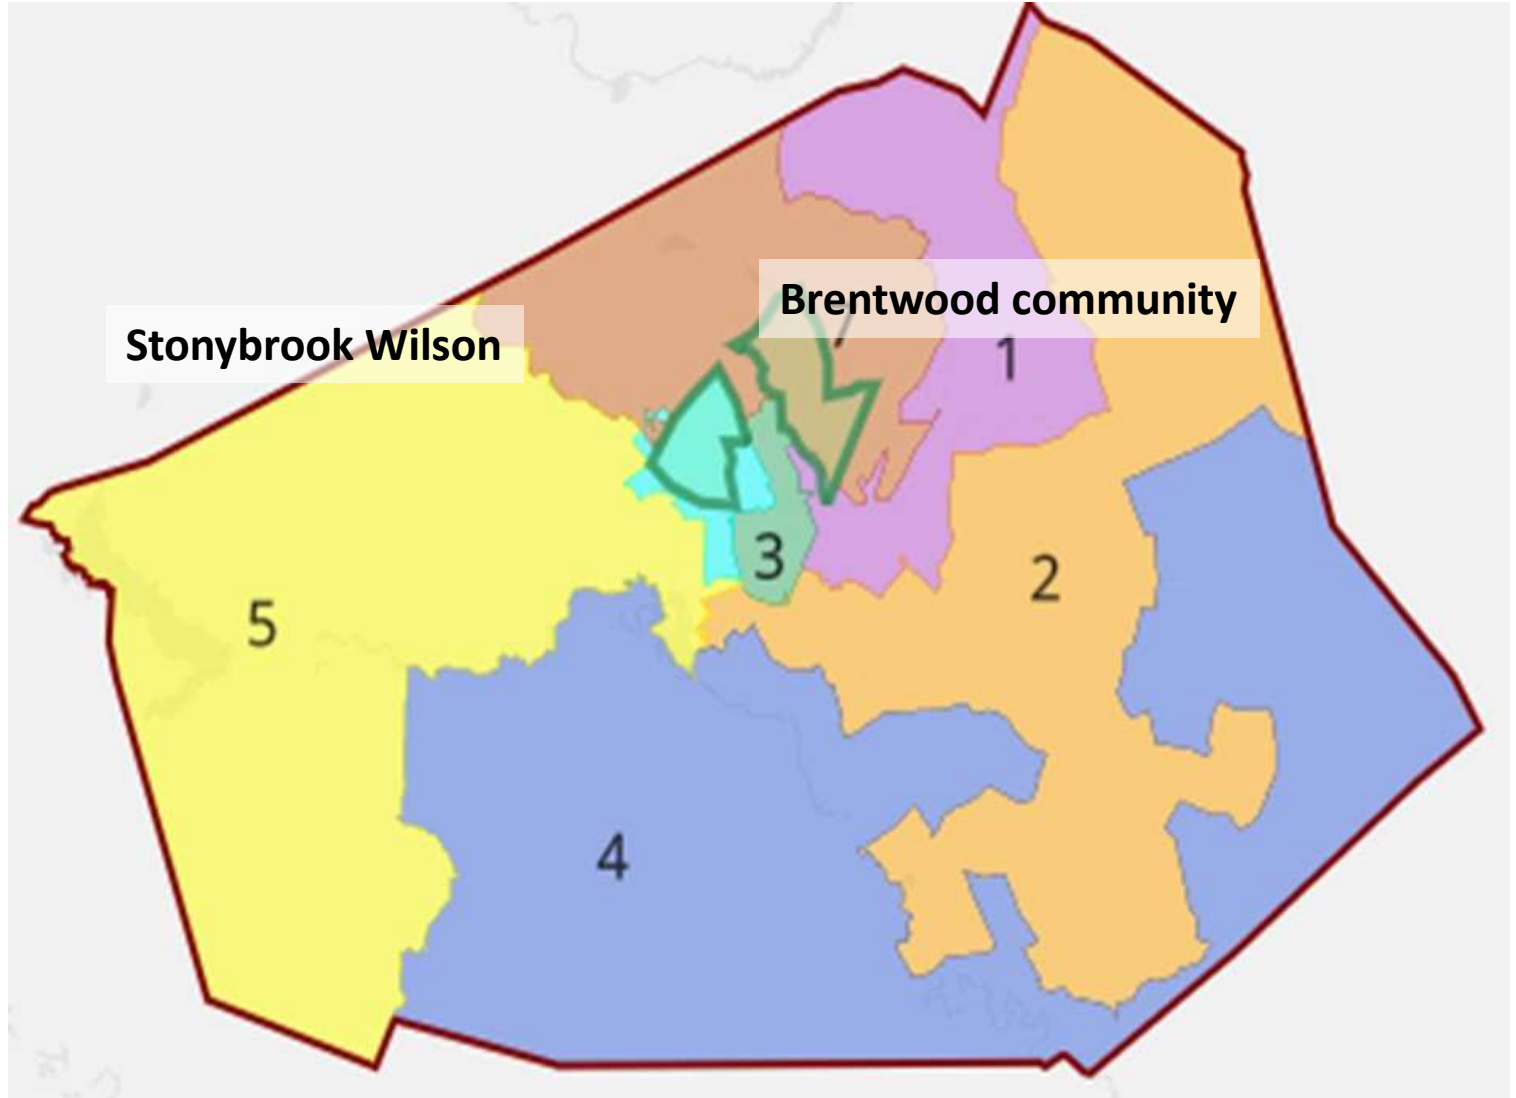

Brentwood community

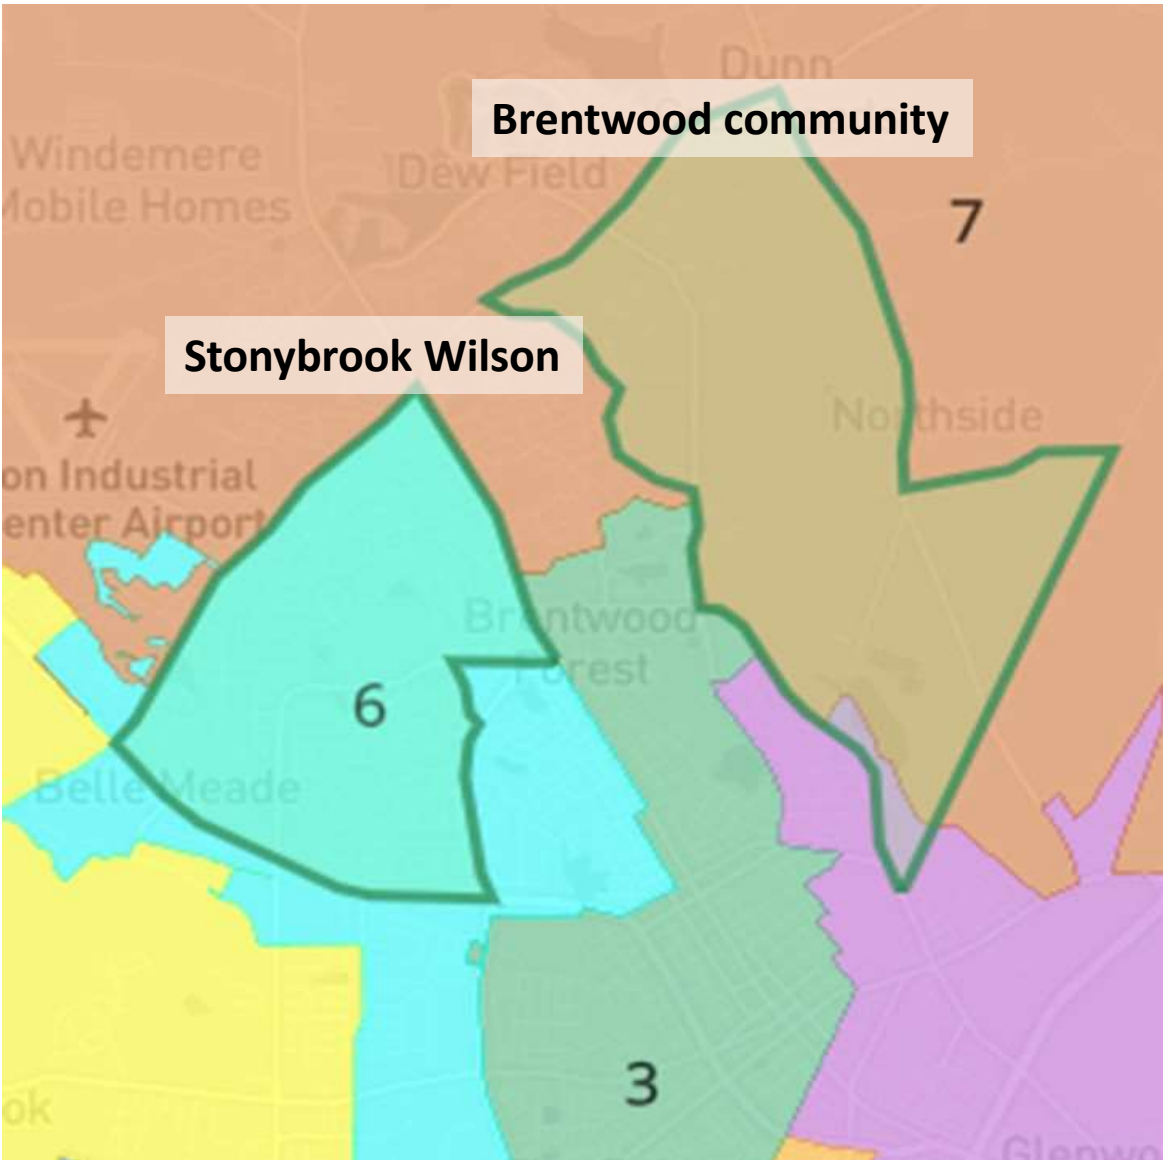

- “My community is located near a commercial area with lots of shops, services, restaurants, and the like.”

COIs with Wilson County Commission Districts

Representable COIs
added to DRA 2020
map

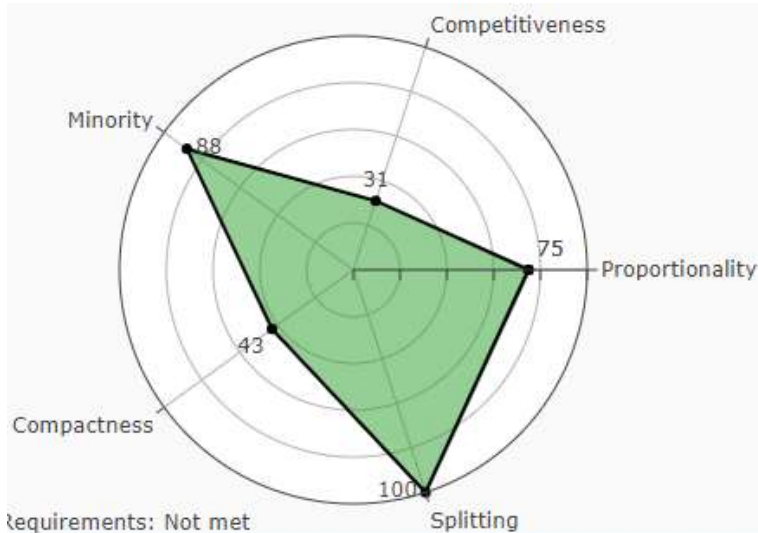

Let's zoom in some. Currently the Stonybrook Wilson COI is entirely within District 6, and the Brentwood Community COI is mostly in District 7.

... when districts are redrawn this year ... review the proposed new district boundaries, are these COIs split between two or more districts?
